

Emphasis: Play Therapy

Degree Type

Emphasis

In order to satisfy its mission to promote the value of play, play therapy, and credentialed play therapists, the Association of Play Therapy (APT) wishes to increase the availability of play therapy instruction at colleges and universities. This emphasis area provides part of the coursework needed to become a credentialed Play Therapist. Coursework includes essential elements and principles of play therapy, including history, theories, modalities, techniques, applications and skills. Experiential components focus on basic play therapy skill development within the context of ethical and diversity-sensitive practice.

Complete any of the following courses for a total of six (6) credits
