## Career Development

Career Development provides information and assistance to students who wish to assess career goals and investigate career opportunities. In addition, the Career Center assists faculty members as they aid students in their career development. Career Development helps students craft effective resumes, practice interviewing techniques, establish networking contacts with alumni and others, and identify internships and part/full-time or summer employment, including on-campus student employment opportunities. Career Development sponsors a number of career-related events during the academic year; a few highlights include academic discipline specific fairs, career development workshops, alumni/student networking events and a spring semester Career Week. For more information on these resources and events, please visit the Career Center website: <https://www.nnu.edu/students/student-resources/services/career-development>.
