

COUN7503 : Advanced Sandplay and Sand Tray Approaches in Play Therapy

This is an advanced play therapy course. Students must successfully complete COUN 7518 Play Therapy Theory and Techniques in both Sand Tray and Sand Play Approaches. This advanced course goes deeper into how to use sand tray therapy. Sand therapies are effectively inclusive of so many clinical theories and approaches. This course instructs students how to integrate clinical theory with sand work, resulting in more focused therapeutic work. In addition, by building on practical sand tray basics, this course takes a more detailed look at such clinical applications as neurodiversity, attachment, and trauma in sand tray work. **Fee:** Additional fee required.
