

# ENGL1040 : Introduction to Academic Writing

**Recommendation: Students should take this course in their first year.**

A course that introduces students to the rigors of academic writing. Key elements include practicing the critical reading and summary of texts; finding and using evidence correctly; developing lines of inquiry; analyzing complex claims; and applying the rhetorical strategies that lead to successful academic writing. Students will also develop a metacognitive understanding of their reading, writing, and thinking processes.
