

# Education Specialist: Educational Leadership - Building Administrator

## **Degree Type**

Education Specialist

## Program Description

A minimum of 32 semester credits are required. More credits may be required depending on program director's evaluation of the student's previous master's degree.

The Ed.S. Educational Leadership - Building Administrator classes emphasize the administrator as an instructional leader as well as a servant leader. Ethical decision making, creative problem solving, and professional growth are other areas of emphasis. The student will complete a 9-month (2 semester) administrative internship in a school setting. The internship experience should include participation in a maximum number of meaningful experiences related to the principal's role. A minimum of 400 clock hours is required. Students will complete a variety of tasks and duties typical of a building level principal under the supervision of an experienced principal. The internship assignment must be approved by the school district and the NNU program director. In the last semester, each student will enroll in EDUC7596IIB Building Administrator Internship Portfolio Binder (0-1) credits where they will upload their artifacts of learning.

The program is in a fully online format with some courses scheduling synchronous video class sessions. We encourage students to attend these "live" sessions as they are available. Archived recorded sessions may be available for review.

Successful completion of the degree qualifies the graduate for recommendation to the State of Idaho for a Pre-K-12 Principal endorsement on an Idaho Administrator Certificate. NOTE: An Institutional Recommendation (IR) is only valid for two years after completion of the degree. Therefore, the students should apply for a certificate revision or renewal within that time frame.

It is the student's responsibility to submit the appropriate paperwork and fees to the Idaho State Department of Education for obtaining certifications and endorsements in Idaho. Current forms and information are available from the ISDE website. Students should check the Internet and other sources for specific requirements for certification in other states.

Individuals who currently hold a master's degree in Educational Leadership-Building Administrator would not qualify for this program, but would qualify to apply for other NNU Ed.S. programs.

Every Educational Leadership student will be registered for the approved accreditation and assessment software, Portfolium, during EDUC8000 Orientation: Graduate Education. There is a fee associated with this course to cover the cost of the student Portfolium account.
