

Education Specialist: Educational Leadership - Director of Special Education

Degree Type

Education Specialist

Program Description

32 - 43 semester credits required. More credits may be required depending on the program director's evaluation of the student's previous master's degree. There are three tracks within this degree – DSE and Exceptional Child Generalist endorsement, DSE and School Principal endorsement, or DSE and Superintendent endorsement.

The Ed.S. Director of Special Education classes emphasize the administrator as an *instructional leader* as well as a *servant leader*. Ethical decision making, creative problem solving, and professional growth are other areas of emphasis. In the last semester of the program, each student will enroll in EDUC7595B Director of Special Education Practicum Portfolio Binder (0-1) credits where they will upload their artifacts of learning.

The program is in a fully online format, with some courses scheduling synchronous video class sessions. We encourage students to attend these 'live' sessions as they are available. Archived recorded sessions may be available for review.

Successful completion of the degree qualifies the graduate for recommendation to the State of Idaho for a Director of Special Education endorsement and one of the following endorsements (K-12 Exceptional Child Generalist endorsement, Pre-K-12 School Principal endorsement, or Pre-K-12 Superintendent endorsement on an Idaho Administrator Certificate) dependent on which track is taken. NOTE: An Institutional Recommendation (IR) is only valid for two years after completion of the degree. Therefore, the student should apply for a certificate revision or renewal within that time frame.

It is the student's responsibility to submit the appropriate paperwork and fees to the Idaho State Department of Education for obtaining certifications and endorsements in Idaho. Current forms and information are available from the ISDE website. Students should check the Internet and other sources for specific requirements for certification in other states.

Every Educational Leadership student will be registered for the approved accreditation and assessment software, Portfolium, during EDUC8000 Orientation: Graduate Education. There is a fee associated with this course to cover the cost of the student Portfolium account..
